

Ulrichsweb: Administration Console

- **Product:** Ulrichs

How do I configure Ulrichsweb using the Administration Console?

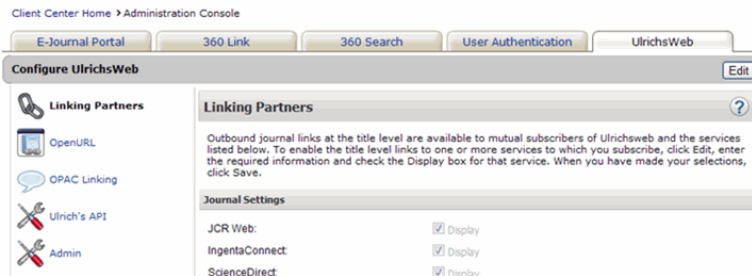

Using the Administration Console, you can easily configure your library's Ulrichsweb service to fit the needs of your staff and patrons.

To go to the **Administration Console**:

1. Go to the [Client Center](#). *User Name will be your email address. If you are unable to log in, please contact [Ex Libris Support](#).
2. Click the **Administration Console** link in the **Ulrichsweb** section under **Administer Your Products**:

Administer Your Products	
360 Core	
View E-Journal Portal Administration Console	OCLC eSerials Holdings Service
360 Link	
Administration Console	Google Scholar Setup
Ulrichsweb	
Administration Console	View Ulrichsweb

You will then see the **Administration Console**, with the **Ulrichsweb** tab selected:

There are several options for configuring Ulrichsweb through the **Administration Console**; click on a title below to go to a document describing how to configure that option:
