

Ulrichsweb: Updating your IP

- **Product:** Ulrichs
-

How can I update my IP ranges for Ulrichsweb?

If you subscribe to Ulrichsweb, perform the following steps to update your IP range in the Client Center:

1. Log into the Client Center at <https://clientcenter.serialssolutions.com>.
 2. Click on **Library Settings** under the Manage your Library section.
 3. Click on **Library/Institutional IPs** in the left-side navigation tree.
 4. Click **Add** to add a new IP range, or click the red X to the right of an IP range to delete it.
