## 360 Counter: Training Webinars

- **Product:** 360 Counter
- 

---

### Do you offer training sessions on how to use 360 Counter?

On-demand training is readily available through the recorded sessions below. Click on a topic to open a WebEx page with training sessions on many 360 Services. Find the session you want and click the name to start the session. Follow along with the presentation slides available below.

NOTE: Although the training was recorded in the past, 360 Counter has not changed significantly since then. Therefore, the contents of the training continue to be useful.

Your feedback is always appreciated so that we can continue to meet your training needs in the best way possible; please use the Feedback button in the bottom right corner of the screen. Thank you!

Topic	Description	Duration	Video	Presentation Slides
<b>360 Counter and Reports in Intota Assessment</b>	This session is for libraries new to 360 Counter. We'll cover topics including an overview of the Project Counter standard, ProQuest data retrieval service and SUSHI reports. We will also explore how to render reports using Intota Assessment and save report customizations for future use.	1 hour 3 minutes	<a href="#">MP4</a>	<a href="#">PDF</a>
<b>Viewing 360 Counter Reports in Intota Assessment</b>	Revisit the basics of administering your 360 Counter reports and how to generate your Counter usage reports in the Intota Assessment reporting interface.	42 minutes	<a href="#">MP4</a>	<a href="#">PDF</a>
