### Do you offer training sessions on how to use 360 MARC Updates?

This WebEx page contains presentation slides for *legacy* ProQuest Workflow Solutions products, including Intota, Intota Assessment, E-Journal Portal, 360 MARC Updates, 360 Search, and 360 Resource Manager. These products are no longer being actively developed by ProQuest / Ex Libris, and so the (old) slides below are still accurate.

Click on the links here to jump to training sessions for *current* Ex Libris products:
