

360 Resource Manager: Training Webinars

- **Product:** 360 Resource Manager

Do you offer training sessions on how to use 360 Resource Manager?

NOTE: This WebEx page contains presentation slides for *legacy* ProQuest Workflow Solutions products, including Intota, Intota Assessment, E-Journal Portal, 360 MARC Updates, 360 Search, and 360 Resource Manager. These products are no longer being actively developed by ProQuest / Ex Libris, and so the (old) slides below are still accurate.

Click on the links here to jump to training sessions for *current* Ex Libris products:

Your feedback is always appreciated so that we can continue to meet your training needs in the best way possible; please use the Feedback button in the bottom right corner of the screen. Thank you!

Topic	Description	Duration	Presentation Slides
Adding Cost Data in 360 Resource Manager	This session is for 360 Resource Manager customers who want to learn or refresh their training on how to add costs manually to 360 Resource Manager. We will also discuss how to use the Cost Data Uploader to add costs in bulk to your e-resources.	26 minutes	PDF
Managing Licenses in 360 Resource Manager	Designed for 360 Resource Manager clients currently implementing the ERM, this webinar explores license data population strategies using templates and demonstrates the process of displaying selected license terms of use in the e-Journal Portal.	33 minutes	PDF
Resource Renewals and Alerts in 360 Resource Manager	Learn how to manage renewals of your e-resource packages in the ERM using the Renewals tool. We'll also explore the Renewal Alerts and how to use them to manage workflow and communication.	35 minutes	PDF

Topic	Description	Duration	Presentation Slides
Using Menus to Customize 360RM	Creating the various menus in the ERM is an important factor in ensuring you're capturing the information you want and even to managing the life cycle of your e-resources in the ERM. We'll explore the 6 main menus in the Client Center, and where they appear in the various ERM data repositories.	31 minutes	PDF
