Are there online tutorials available to learn about Ulrich's Serials Analysis System?

We have created short (three- to five-minute) video demonstrations of how to perform tasks within the Ulrich's Serials Analysis System (USAS).

Note

Longer training sessions are available in our [recorded webinar presentations](#), and more detailed information can be found in the [USAS User Guide](#).

The videos are available in two formats: WMV for Windows computers and MP4 for Mac and others. In the table below, click "WMV" or "MP4" to start a video. If it doesn't work, then right click on the link and then save the video to your computer.

Video tutorials on Ulrichsweb and the 360 Management and Discovery services are available [here](#).
