Customizing Your E-Journal Portal	<p>Explore a variety of options for enhancing the end-user experience of the E-Journal Portal (a.k.a., A-to-Z list). Find out how to customize the E-Journal Portal to incorporate a database list, title and subject searches, institution-specific branding, a connection to your 360 Link citation linker, and more. And learn about interface options for discovering e-book titles.</p> <p>Note: This recording was made prior to the July 2016 release of the enhanced E-Journal Portal (see below training). If your objective is to customize the enhanced E-Journal Portal, this training session is still beneficial as it provides an overview of how to use the administration console to make custom changes.</p>	41 minutes	PDF
