
Springer Link is moving to HTTPS protocol

- **Product:** SFX, Alma
-

Description

Springer has scheduled a transition from the HTTP protocol to the HTTPS protocol, on February 23rd, 2017.

Springer Link is already available on HTTPS, and will be redirecting from HTTP to HTTPS following the transfer.

Resolution

ExLibris will be updating SFX and Alma SPRINGER_LINK collections as follows:

For SFX:

The update will take place by the 3rd revision of February (the 20170800 revision)

For ALMA:

this change will be part of the 4th February Alma CKB update (The 20170800 Alma CKB update that will be released @ February 26th).
