

Logoff takes long time with Aleph PDS

- **Product:** Aleph
 - **Product Version:** 20, 21, 22, 23
 - **Relevant for Installation Type:** Dedicated-Direct, Direct, Local, Total Care
-

Description

The logoff on Primo sometimes hangs for a long time (or there is a timeout). Primo is using Aleph PDS.

Resolution

This is corrected by v22 rep_change 2402 and v23 rep_change 2112.

```
./pds/program/CallHttpdS.pm  
./pds/program/PDSLogout.pm
```
