
Patron Barcode in the overdue-summary and/or loan-notice-letter

- **Product:** ALEPH
 - **Product Version:** 21,22,23
-

Description

Would like to see the Patron Barcode in the overdue-summary and/or loan-notice-letter.

Resolution

In the following files: funcs-address.xsl and plain-funcs-address.xsl and other relevant xsl files in the xxx01/form_lng sub-library

It is necessary to replace this line:

```
<xsl:with-param name="value" select="//z308-key-data"/>
```

to this line:

```
<xsl:with-param name="value" select="//z302-key-01"/>
```

Note: after the change run the util/i/6 in xxx01 library.
