

Datacenter Virtual Tour (videos)

- **Product:** Cross-Product
-

Description

To give customers a taste of our datacenters and ensure confidence in our infrastructure, we've created the following videos:

0. [An overview of the Ex Libris cloud and datacenter operations](#), including a datacenter virtual tour and an overview from Ex Libris experts about our infrastructure, security, monitoring, and overall cloud approach.
0. [A short virtual tour](#) into the Ex Libris datacenter in Amsterdam, highlighting its facilities, infrastructure, and security measures.
