

What is Bursar Transfer used for?

- **Product:** Voyager
- **Relevant for Installation Type:** Multi-Tenant Direct, Dedicated-Direct, Local, TotalCare

Question

What is Bursar Transfer and why would it be used?

Answer

Bursar Transfer exports the total patron balances or itemized fine/fee balances from patron records and creates a SIF file that can be exported to another system.

- Exports patron credits and debits
- Does not transfer accrued fines, demerits, or stub/child patron record fines and fees

Bursar Transfer is typically used if the payment/handling of fines/fees is done outside of the library.

Additional Information

Output file is written to /rpt.

Example of SIF file written to /rpt:
