

cir-51: Replacement charge not included on Lost Summary bill

- **Product:** Aleph
 - **Product Version:** 22, 23
 - **Relevant for Installation Type:** Dedicated-Direct, Direct, Local, Total Care
-

Description

After installing Aleph 22 SP2409, with rep_change 2380 (-- or v23, with rep_change 2084) the Lost replacement charges are not showing up on Lost Summary bill produced by the cir-51 Service.

Resolution

Though this change is described as affecting only transaction type 0042 (notice cost), it seems that it can affect types 0040 (handling cost) and 0041 (replacement cost) as well.

Removing the "N" from tab18.lng, col.8, for the 0040 and 0041 lines corrected the problem.
