
Add Banners and Feeds Tiles

[Click to play](#)

Duration: 05:10 min

Description	Banners tiles in campusM present a carousel of clickable images that serve as a call to action for your users. Feeds tiles present RSS feeds of your choice that link out to the news source. In this session, we'll show how to add banners and feeds tiles to your app homescreen.	Attachments Handout
Target Audience	New and existing customers with responsibility for managing/maintaining their campusM instance.
