## Managing App Profiles and Roles

[Click to play](#)

Duration: 04:45 min

<b>Description</b>	App Profiles are the different views in which the campusM app presents to different end-users, such as Open House, Start of Term, and Alumni Association. In this session we'll learn how to manage App Profiles, Profile Groups, and App Roles.	<b>Attachments</b>  <a href="#">Handout</a>
<b>Target Audience</b>	New and existing customers with responsibility for managing/maintaining their campusM instance.	
<b>Prerequisites</b>	None
