

## How to report translation issues?

- **Product:** Alma
  - **Product Version:** any
  - **Relevant for Installation Type:** Multi-Tenant Direct, Dedicated-Direct, Local, TotalCare
- 

### Description

How to report translation issues in Alma?

### Resolution

If you find incorrect translations in Alma please open a case via Support Portal and provide a scenario or a screenshot indicating the context of the incorrect translation.

Incorrect translations in the knowledge Center should be flagged for review by using the feedback feature.
