

Adding new sort to cir-04

- **Product:** Aleph
 - **Product Version:** 20, 21, 22, 23
 - **Relevant for Installation Type:** Dedicated-Direct, Direct, Local, Total Care
-

Description

Can an additional sort be added to the CIR-04 (Loan report) Service?

Resolution

The various sort routines ("RL", "RS", etc.) are hard-coded in the b_cir_04_a program. Any change or addition would be an enhancement request.
