## Oracle PeopleSoft - Personal Details

---

### Overview and Prerequisites

Prior to reviewing this page, please review the PeopleSoft Integration Directory page, including prerequisites found [here](#).

---

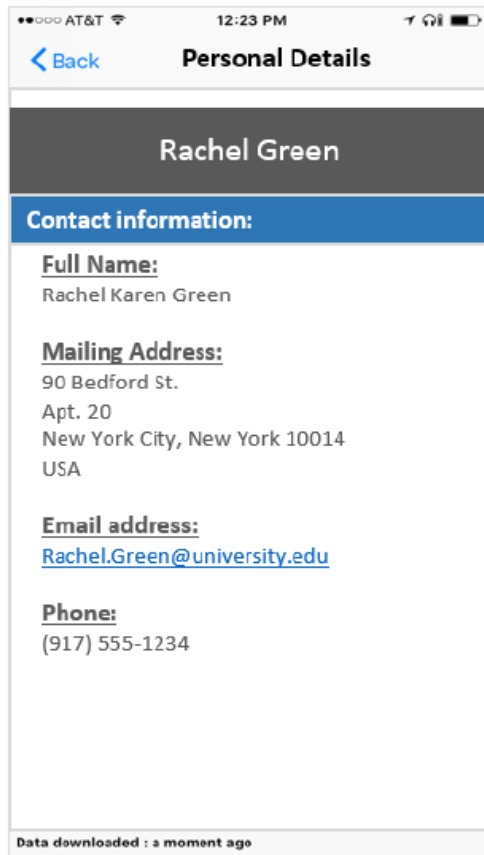

### User Experience

The Personal Details service allows a student to view their personal directory information.

Property	Static Tile
Default Size	1x1
Minimum Size	1x1
Suggested Design	 A square icon with a light brown background. It features a white silhouette of a person's head and shoulders. Below the silhouette is a white circle containing a lowercase letter 'i'. At the bottom of the icon, the text "Personal Details" is written in white.

## Sample Requests

The PeopleSoft Personal Details integration service is delivered by a QAS query. Please see PeopleSoft Product Integration Directory (Prerequisites) for additional information on QAS queries.

The institution needs to develop a query that returns the following fields:

Required Field	Type	Example
Student ID	Mandatory	1234567
Name	Mandatory	Rachel Green
First name	Mandatory	Rachel
Last name	Mandatory	Green
Mail address 1	Mandatory	90 Bedford St.
Mail address 2	Mandatory	Apt. 20
Mail city	Mandatory	New York City
Mail state	Mandatory	New York

Required Field	Type	Example
Mail postal	Mandatory	10014
Mail country	Mandatory	USA
Campus email address	Mandatory	<a href="mailto:Rachel.Green@university.edu">Rachel.Green@university.edu</a>
Mobile phone	Mandatory	(917) 555-1234
Home address 1	Optional	(90 Bedford St.
Home address 2	Optional	Apt. 20
Home city	Optional	New York City
Home state	Optional	New York
Home country	Optional	USA
Personal email address	Optional	<a href="mailto:RGreen19@myemail.com">RGreen19@myemail.com</a>
Home phone	Optional	(917) 555-2345

Optional fields will only be displayed if they are included in the QAS query response.

```

---

## Offline Functionality

Not supported.

---

## Configuration Options

---

## Labels

Label	Default Value
Tile name on home screen	Personal Details
Tile screen title	Personal Details
Screen header	Contact Information

---

## Suggested Testing Guidelines

The following acceptance criteria is recommend to be used as part of the testing and approval process:

- User can access the Personal Details Tile and see their contact information
