

Alma baseurl for PubMed

- **Product:** Alma
 - **Product Version:** August 2019

 - **Relevant for Installation Type:** Multi-Tenant Direct
-

Question

What is the Base URL syntax that should be provided to PubMed for using Alma UResolver as an Outside Tool?

Answer

The recommended URL is:

http://<primo server host:port>/openurl/<INSTITUTION>/<INSTITUTION_services_page>?sid=Entrez:PubMed&id=pmid:

For more information please see [Base URL for the Services Page](#):
