
Resources/Support

- **Admin Onboarding Toolkit**

[No image available](#)

Access onboarding materials and tips to help increase awareness and usage of Pivot-RP at your institution.

- **Pivot Makes Claiming Your Profiles Easier!**

[No image available](#)

When users claim their profiles in Pivot, it improves their chances of being matched with research funding opportunities. It also makes them more discoverable to potential collaborators that may lead to publication, conference presentations, new projects and networking. To ensure this process is smooth and simple, our team is cultivating relationships with Research Administrators and end-users to develop resources that make this process easier. We recently consulted with some of our Research Adm
