

在Primo中显示历史外借

Note

如果您正在使用Primo VE，见 [Primo VE](#)。

[返回到菜单](#)

默认情况下，Alma不向Primo发送显示在我的账户>外借中的历史外借信息。您必须在Alma的客户参数映射表中设置 **view_historical_loans_in_primo** 参数为 **true**；见 [配置其他设置](#)。

The screenshot shows the Primo user interface. At the top, there are search options: Local Search, Remote Search, and Primo Central. Below that is a search bar with a dropdown menu set to 'Primo Local Repository' and a 'Search' button. There are also links for 'Advanced Search' and 'Browse Search'. Below the search bar are three dropdown menus: 'All items', 'that contain my query words', and 'anywhere in the record'. Below these are tabs for 'e-Shelf', 'Queries', 'My Account', and 'My Databases'. The 'My Account' tab is selected, and a sidebar on the left lists 'Loans (0)', 'Requests (0)', 'Fine & Fees', 'Blocks & Messages', and 'Personal Settings'. The main content area shows 'List of Active Loans' and 'List of Historic Loans', with the latter highlighted by a red box. Below this is a table header with columns: '#', 'Title', 'Author', 'Due Date', 'Due Hour', 'Potential Fine', and 'Location'.

历史外借记录列表

有关在Primo中配置显示外借的信息，见 [配置外借视图](#)。
