

How to Customize Ranking

Media, iframe, embed and object tags are not supported inside of a PDF.

Duration: 22 min.

Description	<p>Primo aims to give its users the most relevant results first. You can customize how Primo ranks search results to better fit the needs of your library. For example, you may wish for Primo to display the most recent and up-to-date documents first, or to boost documents from your institution. In this lesson, you will find out how to customize the ranking of search results in Primo!</p> <p>Topics covered</p> <ul style="list-style-type: none">• Field Boosts• Date Boosts• Institution Boosts• Ranking within a FRBR group	Attachments Handout
