

Pivot-RP: Idea Exchange

How should I submit an idea I have for improving Pivot-RP?

The [Ideas Exchange platform](#) (also accessible from the **More Sites** drop-down menu in the Knowledge Center) is where the exchange of ideas takes place between Pivot-RP administrators and end-users and the product management team at Ex Libris. The ability to submit and review ideas is an invaluable source for helping to further develop Pivot-RP in the most effective ways.

We look forward to hearing your new ideas, supporting your favorite ideas that others have suggested, and providing feedback on popular ideas. <https://ideas.exlibrisgroup.com/forums/911902-pivot>.
