

"Search results were truncated" text cannot be changed

- **Product:** Voyager
 - **Product Version:** 10.1.0
 - **Relevant for Installation Type:** Multi-Tenant Direct, Dedicated-Direct, Local, TotalCare
-

Symptoms

The text displayed (Search results were truncated.) when over 10,000 results are returned cannot be customized.

Defect Status

VYG-4740 is resolved in Voyager 10.1.0

Replication Steps

1. In WebVoyage, run a search for one letter, which should return over 10,000 results.
 2. The text displayed cannot be found in any WebVoyage configuration file inside the UI directory
