
RefWorks: Ideas Exchange Website for Enhancement Requests

How should I submit an idea I have for improving RefWorks?

The [Ideas Exchange platform](#) (also accessible from the **More Sites** drop-down menu in the Knowledge Center and in **RefWorks Help menu**) is where the exchange of ideas takes place between RefWorks administrators and users at libraries and the product management team. The ability to submit and review ideas is an invaluable source for helping to further develop RefWorks in the most effective ways.

We look forward to hearing your new ideas, supporting your favorite ideas that others have suggested, and providing feedback on popular ideas. <http://ideas.exlibrisgroup.com/>.
