

Calendar (Opening Hours) shows last day of month as closed

- **Product:** Alma

Question

After updating Library **opening hours** and running "**Apply Changes**", the full calendar view shows the last day of the month (e.g. last day of November, right after Thanksgiving), as **closed**. There are no **inherited** rows from the **Institution** level. See below, how to fix it?

Answer

Confirmed in the Online Help, "The last day of the month always appears blank and does not display the hours during which the library is open."

To double-check, test with a **Week** or **1 Day** view - the last day should show with correct open hours:

1 Day	Week	Month				
Mon, Nov 24	Tue, Nov 25	Wed, Nov 26	Thu, Nov 27	Fri, Nov 28	Sat, Nov 29	Sun, Nov 30
Open 10:00-23:59	Open 10:00-23:59	Open 10:00-23:59	Open 10:00-23:59	Open 10:00-23:59	Open 10:00-23:59	Open 10:00-23:59
