## How to Add Position Actions

Media, iframe, embed and object tags are not supported inside of a PDF.

|                        |   |                                |
|------------------------|---|--------------------------------|
| <b>Description</b>     | Adding position actions to existing positions lets you offer the end-user custom, position-specific links to pocket guides, external webpages and more. | <b>Attachments</b><br><br>None |
| <b>Target Audience</b> |   |                                |
| <b>Prerequisites</b>   |   |                                |
