## How to Create a New App Role

Media, iframe, embed and object tags are not supported inside of a PDF.

<b>Description</b>	App Roles are key to creating a powerful contextualized experience for your end users. With roles in place, you can tailor the end user experience for groups of students, showing them specific menu options and services that meet their needs. Here's how you can set up an App Role with campusM Student Life or Enterprise.	<b>Attachments</b>  None
