## Note

Week 40, October 1st

- Major cleanup of EBOOK\_CENTRAL\_PERPETUAL\_AND\_DDA\_TITLES target. We are embarking on an exciting project to clean up EBOOK\_CENTRAL\_PERPETUAL\_AND\_DDA\_TITLES. This will allow us to fully align SFX and Alma with the current title list, as well as to configure the collection for automatic additions/deletions moving forward. The first step of this clean-up process is the deletion of approximately 240,000 titles that are no longer part of the Ebook Central Perpetual and DDA collection, to be executed in two batches starting on revision 20194000. We have performed analysis in conjunction with the Ebook Central team to ensure that titles slated for deletion are not owned by any customers. These deletions will not affect current titles or perpetual titles already purchased by customers.

## The following targets were removed as previously announced
