## Awards

---

### Note

The definition of words in italics can be found in the [glossary](#).

---

If your institution subscribes to Funding Insight, you will also have access to the Awards section which will provide you with details of previous grant winners.

The list of funders in this section is growing all the time. We currently provide data from UK, European, US and Australian funders. Click [here](#) to see a list of the currently included funders and details specific to each one.

---

## Searching the Awards Database

While browsing the Awards section, the following criteria are available for you to refine your search:

Awards	
<b>Awards Search</b>	
Project title	<input type="text"/>
PI name	<input type="text"/>
Award year	<input type="text" value="Select one or more years..."/>
Funder	<input type="text" value="Select one or more funders..."/>
Host institution	<input type="text" value="Select one or more institutions..."/>
Reference ID	<input type="text"/>
Award value	Set currency: <input type="text" value="GBP (£)"/> <input type="text" value="v"/> More than: <input type="text"/> Less than: <input type="text"/> <input type="checkbox"/> Include unspecified

You can use any combination of criteria when building your search. Only awards that match all of your specified criteria will be shown in the results.

---

## Sorting Your Results

By using the toolbar shown below, you can re-order your results and change how many awards are displayed per page.

Sort   Results per page

---

## Viewing Your Results

The results of your awards search will display a summary of each award with the project title, principal investigator, host institution, primary funder and the value of the award.

To view the full listing for the award, click on the project title.

You can view definitions of the fields [here](#).

---

## Previous Winners

Where we have details of previous winners for an open funding opportunity that is currently listed in the database, a link to view previous winners will be available on the opportunity page.
