

Analytics Evidence PISA1 - Intellectual Entity (IE) Number Missing from Physical Items SA

Created By: Igelu-Eluna Analytics
Created on: 3/19/2019

The intellectual entity (IE) number in its OPAC/Published form (PID) is not available in the Physical Items Subject Area.

The PID is part of the Alma UI but does not have mapping within Alma Analytics

status: open
priority: high
subject area: physical items
resource management

Use Case:

The PID becomes the source record ID in Primo (permalink) and is also needed to integrate with third party reading lists.
