

Hourly Loans - How to Enable Due Hour after Midnight?

- **Product:** Alma
-

Question

Our item policy for equipment is set to 8 hours; however, even when we are open until 2 am, the due time will not register past midnight. How to enable due date past 23:59?

Answer

Use Minutes instead of Hours, for the "Due Date" Advanced Policy Configuration.

Secondly, Loan TOU parameter of "Closed Library Due Date Management" needs to have: "No change to due date".

Additional Information

Click here for documentation regarding the different ["Fulfillment Policy Types" \(Advanced Policy Configuration\)](#).
