

## How to exclude inactive item barcodes from the Prepackaged Report

- **Product:** Voyager
  - **Product Version:** 7
  - **Relevant for Installation Type:** Multi-Tenant Direct, Dedicated-Direct, Local, TotalCare
- 

### Question

How do I exclude item inactive barcodes from my Prepackaged Report?

### Answer

In the C:\voyager\Access Reports\Reports.mdb query, set the BARCODE\_STATUS field in the ITEM\_BARCODE table to "1" (active barcodes).
