

How to generate a list of registered users

- **Product:** CampusM
 - **Product Version:** All
 - **Relevant for Installation Type:** All
-

Question

How can a list of users be generated who have registered or logged into the campusM app?

Answer

1. Log into campusM App Manager.
 2. Open "App Settings".
 3. Select "Registered Users" from User Management.
 4. To download a CSV of all registrations click "Download CSV" in the upper right-hand corner.
