

## Class Diagrams for Voyager version 10.0 and later

- **Product:** Voyager
  - **Product Version:** 10.0 and later
  - **Relevant for Installation Type:** Multi-Tenant Direct, Dedicated-Direct, Local, TotalCare
- 

### Question

Are there Class Diagrams for Voyager after version 9.2?

### Answer

The Class Diagrams for Voyager version 9.2 are the latest. There have been no new tables added since Voyager version 9.2. Customers should use the Schema Changes documents to supplement the information in the 9.2 Class Diagrams.

### Additional Information

See: [Voyager Data Dictionaries, Schema Changes documents and Class Diagrams](#).
