Asset Details Section

Enter additional information about the publication in this section. Some information may be pre-filled if you selected a match when entering asset details.

- **Asset subtitle**
- **PMID**
- **Volume**
- **Start page**
- **Language**
- **Publisher**
- **Alternative title**
- **PMCID**
- **Issue**
- **End page**
- **Review number**
- **DOI** – If the asset has a DOI, enter it here. If the asset does not yet have a DOI, and the asset category has an associated DOI agency (see [Configuring DOI Agencies](#)), the action **Reserve DOI** appears beside the DOI field. Select this action to generate a DOI for the asset. To register the DOI, see [Managing Research Deposits Using the Research Deposits Page](#).
- **Handle** – Add a handle identification number to the asset. You can add one manually or select the **Generate Handle PID** button to add an identifier automatically. For more information, see [Configuring Handle Server Integration](#).
