
Generic XML Tips : Attribute Text as Condition

Created By: Joan Kolarik
Created on: 2/08/2020

Please send suggestions and improvements to joan.kolarik@weizmann.ac.il

```
rule "rights Closed"  
when  
  exist "//*[local-name()='accessCondition'][@type='info:eu-repo/semantics/closedAccess']"  
then  
  set "info:eu-repo/semantics/closedAccess" in "dc"."rights"  
end
```
