

Availability – Uptime reports

- **Product:** Cross-Product
 - **Relevant for Installation Type:** Multi-Tenant Direct, Dedicated-Direct, TotalCare
-

Version 1.0

Overview

For SaaS multitenant environments, Ex Libris has a quarterly availability report that measures and records system uptime services. This report is published and available for customers in the Customer Center.

List of uptime reports:

[Uptime for Alma](#)

[Uptime for Primo](#)

[Uptime for Summon](#)

[Uptime for Primo Central](#)

[Uptime for campusM](#)

[Uptime for Leganto](#)
