- **Product:** Primo VE, Alma
- 

### Question

Is it possible to display the due date or due date/time in Primo VE for short-term loans (or any loans)?

### Answer

Unfortunately, there **is not a way to display the due date and time** for any loan (short term or otherwise) in the Get It section of Primo VE. Due dates and times **do display** in the [My Library Card](#) for the individual patron.
