

Adding a static hyperlink to Voyager email notices

- **Product:** Voyager
 - **Relevant for Installation Type:** Multi-Tenant Direct, Dedicated-Direct, Local, TotalCare
-

Question

Can we include a static hyperlink to a web page in our email circulation notices?

Answer

Although hyperlinks are *not* supported per se, most email clients should interpret it correctly if you include one in your circulation notices.

For information on customizing email circulation notices see: [What can be customized in Voyager email notices?](#)
