

## Print a reserve list in the Voyager circulation module

- **Product:** Voyager
  - **Relevant for Installation Type:** Multi-Tenant Direct, Dedicated-Direct, Local, TotalCare
- 

### Question

How to print a reserve list in Voyager Circulation.

### Answer

1. Open the reserve list you wish to print.
2. Click on "Reserve" in the Circulation menu bar and select "Print Pick List."
  - The list will include the title, author, call number, item location, item type, and item barcode for each item.
  - Providing printed lists for patrons to browse may be helpful for patrons who are not sure which reserve item they need to borrow.
