Question

How to edit e-items in Voyager Course Reserve.

Answer

- The Bib and MFHD information can only be edited in the Voyager Cataloging client.
- The information added on the E-Item tab can only be edited in Voyager Circulation, from within the Reserve List.
 1. Retrieve the Reserve List that contains the E-Item you wish to edit.
 2. Right click on the E-Item from the reserve list, and choose "Edit E-Item" from the pop-up menu.
 3. The Edit E-Item window will open with a single tab: "Edit E-Item."
 4. Click OK after making your changes to apply the edits.
