

## Unlink unused names from Voyager Course Reserve List

- **Product:** Voyager
  - **Relevant for Installation Type:** Multi-Tenant Direct, Dedicated-Direct, Local, TotalCare
- 

### Question

How to unlink unused names from a course reserve list.

### Answer

1. Open the reserve list in Voyager Circulation.
2. In the Linked Courses section, select the course you wish to unlink.
3. Right click and choose "Unlink Courses." You'll be presented with the warning "Unlink the selected course?" Choose Yes.
