

Provision of Data Services for Voyager Customers

- **Product:** Voyager
 - **Relevant for Installation Type:** Multi-Tenant Direct, Dedicated-Direct, Local, TotalCare
-

Question

Can my library hire Ex Libris to do data cleanup work, or other data services work, on our Voyager database?

Answer

Unfortunately, we no longer provide Data Services for Voyager. Support will, however, [create left-anchored and headings indexes](#); in this situation open a ticket to get a quote for the work.
