

How do I add HTML to Leganto's File Upload Copyright Options?

- **Product:** Leganto

Question

How do I add HTML to our File Upload Copyright Options?

OR

Why does 'CustomerLabels' appear in my File Upload Copyright Option text?

Answer

1. Go to Configuration > Leganto > General > Customer Labels to add the text with HTML tags.
2. Best practice is to use a unique code for the label
3. Go to Configuration > Leganto > List Management > File Upload Copyright Options
4. Add Row with the Copyright Status and the Customer Label Code in the Text field

Configuration > Leganto > General > Customer Labels
