

Quick Polls

[Click to play](#)

Duration: 06:55 min

Description	campusM Quick Polls are a great way to get feedback from students on their campus experiences. Quick Polls deliver simple questions through the app that take students seconds to complete. In this session we'll learn how to set up Quick Polls, create and distribute a poll, and view its results.	Attachments
Target Audience	New and existing customers with responsibility for managing/maintaining their campusM instance.	Handout
Prerequisites	None
