
Resources for cleanup of Voyager Course Reserve Data

- **Product:** Voyager
 - **Relevant for Installation Type:** Multi-Tenant Direct, Dedicated-Direct, Local, TotalCare
-

Question

Some suggestions for cleanup of Voyager Course Reserve data.

Answer

You can delete a Reserve List from Voyager following the steps provided in these instructions: [Delete a Reserve List from Voyager Course Reserve](#)

Before deleting a Reserve List that has e-items, *you must delete the e-items first* by following the steps in these instructions: [Delete an e-item in the Voyager Course Reserve module](#)

Additional Information

See also Chapter 8 of the [Circulation User's Guide](#).

The Community Knowledge Article below provides Prepackaged Access Reports SQL queries that will generate information about your active and inactive Reserve Lists. This information may help you to identify which Reserve Lists you might delete:

Note

Constructing custom SQL queries by request and troubleshooting unexpected results from customer-created SQL queries falls outside the scope of Support. The above has been posted for informational purposes. [Voyager-L](#) and [Developer Network](#) are useful resources for finding helpful custom SQL or obtaining assistance from peers in troubleshooting custom queries.
