

## Feedback

[Click to play](#)

Duration: 04:26 min

<b>Description</b>	App users can provide feedback through the app, such as sending general feedback, reporting problems, or suggesting new ideas. In this session we'll learn how to configure feedback from the App Settings, and view the incoming feedback.	<b>Attachments</b>  <a href="#">Handout</a>
<b>Target Audience</b>	New and existing customers with responsibility for managing/maintaining their campusM instance.	
<b>Prerequisites</b>	None
