

## List

[Click to play](#)

Duration: 05:10 min

<b>Description</b>	The List Product Integration can be used for a wide range of applications, such as offering a to-do list for students registering at the university, showing key dates, and providing a searchable form bank for students. In this session we will demonstrate how to configure a List integration and deploy it to the app as a Live Tile.	<b>Attachments</b>  <a href="#">Handout</a>
<b>Target Audience</b>	New and existing customers with responsibility for managing/maintaining their campusM instance.	
<b>Prerequisites</b>	None
