Question

I would like to be able to purchase titles from a new platform in Rialto, how can I add this to the Market?

Answer

To start the process, please fill out the following form: https://proquest.formstack.com/forms/rialto_ebook_profile.

Once you submit the form, it will generate a new ticket for our Customer Service team. Our colleagues will take care of the first steps of adding the new platform to Rialto. The ticket will then be sent to the Rialto Technical Support team to complete the final steps.
